

**E Staff tasking motion –CHP
December 15, 2015**

The Council requests that staff provide a short discussion paper of feasible measures to limit the use of Charter Halibut Permits (CHPs) by persons who are not the permit holder (“leasing”). The paper should include the following data by non-transferable and transferable permits, by area:

- the number of unused CHPs since the CHPs were first issued and the number of CHPs that were not used in each calendar year
- the number of CHPs used annually by a person other than the owner of the CHP
- the number of CHPs that have been used by more than one person during a calendar year
