

**Council motion**  
**AI Pacific cod trawl catcher vessel set-aside**  
**April 8, 2019**

The Council requests a discussion paper that includes a status report on Court's opinion regarding litigation on Amendment 113, the Council's December 2018 revision to Amendment 113 including the purpose and need and alternatives considered, and a brief summary of conditions in the Aleutian Islands Pacific cod fishery that have occurred since Amendment 113 was implemented.

The discussion paper should identify potential regulatory approaches that could be used to provide opportunities for trawl catcher vessels harvesting Pacific cod in the Aleutian Islands delivering to Aleutian Island shoreplants.
