My name is Pete Hannah Kodiak fisherman and resident for 36 yrs. I'm asking you to consider Community Fishing Association as an option in your Trawl bycatch Plan. We've been working on this issue for a long time, we know there are 40 or so owners of boats who will receive these quotas most of them who don't go fishing, and don't want to give up anything. We ned the council to stand up and represent the community ,the people of this state, and the people of this country. Please do your job and put CFA on as a option.

thanks Pete Hannah
