B9 US Navy Report on Northern Edge 2019

April 2019 Council Meeting

Action Memo

Staff: Jon McCracken
Other Presenters: John Mosher (US Navy), LCDR Vaughn Brazil (US Air Force)
Action Required: 1. Receive presentation

BACKGROUND

John Mosher from U.S. Pacific Fleet and is the Northwest Environmental Program Manager and Lieutenant Colonel Vaughn Brazil from Eleventh Air Force Headquarters, Operations and Plans Division will presentation an overview of Northern Edge 2019 joint training exercise, scheduled for May 13-24, 2019, in the Gulf of Alaska. The exercise is biennial dating back to 1975. The exercise provides a comprehensive and realistic training on joint interoperability tactics, techniques, and procedures.
